Please read all these notes carefully before completing your application form. Failure to complete the application form correctly or not provide the correct paperwork will result in your application being delayed. The committee has the right to refuse applications for Membership, Night Permits and Non-Fishing Night Guest Permits. Membership and Night Permits will be valid from the date of issue until 15th June 2011 inclusive.

- Note 1 Personal information you provide will be held on the SDAA Ltd members register computer database and will not be passed on to any other organisation. If you provide phone numbers and/or an email address it will be assumed that you have no objection to these being used by the club to contact you.
- Note 2 An optional Night Permit is required to night fish at the Airman Pit and Willington Lake. All Night Permits applications **must** be accompanied by two recent passport size photos (please print your name on the reverse).
- Note 3 To apply for Concessionary Membership you **must** enclose a photocopy of your current EA concessionary rod licence.
- Note 4 To apply for Couple Membership you **must** be a husband and wife or cohabiting partners. Both your membership application forms **must** be submitted together. Two books will be issued. The couple fee quoted is per member (i.e. the total cost for membership as a couple is £90, i.e. 2 x £45).
- Note 5 The upper age for Junior Membership is in line with the EA Junior rod licence (i.e. an EA Junior rod licence is required for persons who have reached the age of 12 but have not reached the age of 17). Children up to age 11 years can fish for free on SDAA waters with a single rod if accompanied by a member who is their parent/guardian, occupying the same swim.
- Note 6 Night Permit holders (but not juniors) can be accompanied by a **single** non-fishing guest whilst night fishing the Airman Pit and Willington Lake, provided they obtain a Non-Fishing Night Guest Permit in advance, which cost £20 a season. Applications for a Non-Fishing Night Guest Permit **must** include two recent passport sized photos of the non-fishing guest (please print your non-fishing guest's name on the reverse). Night Permit holders must accompany their non-fishing guests at all times and will be held responsible for their actions. Please note that guests are not members of the club and therefore guests are not covered by the club's insurance. Night Permit holders are only allowed a single non-fishing guest at any time whilst night fishing, but a Night Permit holder may purchase more than one Non-Fishing Night Guest Permit each season.
- Note 7 Keys are required to open gates at the Airman, Broom Lake and Willington. Keys from last season (A9) will still fit locks after 15th June 2010.
- Note 8 If you have already purchased your membership book and are only applying for a Night Permit and/or Non-Fishing Night Guest Permit you **must** insert your current membership book number, which is printed in the top right hand corner of the page containing your name and address. If applying for both a Night Permit and membership book leave this blank.
- Note 9 Please make sure that you enclose the correct size of envelope and postage, otherwise the Post Office will charge you the unpaid postage plus a £1 'administration fee' before they will deliver the item. If applying for a membership book, the SAE must have a minimum envelope size of C5 (162x229mm) and a 'large letter' stamp as the thickness will exceed 5mm. If you are only applying for a night permit and/or Non-Fishing Night Guest Permit a standard 'DL' sized (110x220mm) envelope and 'letter' postage will suffice.
